Dear Mr. & Mrs. Jones,

I would like to take a moment to express to you what a lovely home you have. It is very apparent the love and pride you both took in taking such good care of your home. My fiancée and I would love the opportunity to carry on the warmth you created.

My fiancée and I have known each other for the past 14 years and we will be getting married next month. My parents, sister and brother-in-law live just a few blocks away from your home. Our daughter will be attending preschool next year and living within close proximity to our family members will ensure that our daughter keeps a close bond with her grandparents, cousins, and other family.

When I first entered your home, I was very pleased by how well maintained you've kept it. We envision many years of birthday and holiday celebrations, keeping that close bond with our family.

It would be a pleasure to make such dreams a reality. Thank you for your consideration.

Sincerely,

Richard Parker & Alyssa White

Dear Hart Family,

My name is Madison O'Brien and I would like to take this moment to express to you what a wonderful home you have. It is very apparent to me the pride you took in taking such good care of your home in the past, and I would love the opportunity to carry on the love and pride you created.

I was immediately impressed upon entering your home as I marveled at the beautiful fireplace, spacious kitchen, and perfect layout.

I noticed your spacious backyard has several doghouses and my dog would truly enjoy having the open space to run around. I especially like the enclosed patio that would be perfect for my cats.

I have worked at Holy Cross Medical Center for the past twenty-four years and close proximity of your home would be an ideal commute.

Please consider my offer as I look forward to sharing new memories with my family, similar to the ones you've shared with yours. Thank you for your consideration.

With regards,

Madison O'Brien
